

Upper Murray Seeds Annual Field Day

Tooma Station, Friday 14 October

Taking the mystery out of soil testing.

A down-to-earth look at soil test results and how to apply the information to your farm plan.

- Senior agronomist Don Kirkpatrick explains what is most relevant to you, the farmer.
- Learn how to use this information to your advantage.
- Inspect our thriving Trial Site to compare pasture varieties.
- See the huge range of varieties in our Demonstration Site eg clovers, medics, lucerne, forage cereals and forage brassicas.
- Lunch is provided and everyone is welcome.

When: 10am Friday 14 October 2011

Where: 4047 Tooma Road, Tooma NSW

RSVP: By Wednesday 12 October on (02) 6948 4497 and **you are in the draw to win a Stihl chainsaw!**

You must be present on the day to claim this fabulous prize which will be drawn at lunchtime and you're only eligible if you have confirmed your attendance by 12 October.

See www.uppermurrayseeds.com.au for more details.
